

A vibrant, stylized illustration of a multi-layered cake. The cake is shown in a cross-section, revealing several layers of light-colored cake and various fillings. The top layer is decorated with fresh fruit, including a large red raspberry, a green kiwi slice, and two purple grapes. Below this, there's a layer of white cream with a decorative swirl. The next layer down contains a pinkish-red filling, possibly strawberry or raspberry. The bottom layer is a thick, dark brown layer, likely chocolate. The base of the cake is a solid yellow layer. The entire cake is set against a plain white background. There are some faint, stylized Japanese characters around the cake, such as 'キ' (ki) and 'う!' (u!), which might be part of a larger text or a playful expression.
